

ENVIRONMENTAL PROTECTION POLICY STATEMENT

It is the policy of **TRP Construction General Contractors** and a requirement of all its employees to perform all work in a manner that ensures minimal impact on the environment.

Special attention is paid to ground water pollution, noise pollution, soil pollution and air pollution, as well as, to protect green space and preserve habitat/natural resources.

TRP sources and uses materials whose manufacture is environmentally friendly.

The three R's form the company's policy on all construction and administration waste:

Reduce

Reuse

Recycle
